Primary Board or Association (if not Northwest Ohio REALTORS®): _____
(provide letter of good standing to NORIS)

Licensed Subscriber has elected to utilize the NORIS Multiple Listing Service ("MLS"). In consideration of Northwest Ohio REALTORS® ("NOR") and Northwest Ohio Real Estate Information Systems, Inc. ("NORIS") making the MLS available, and as a condition of utilizing the MLS, Licensed Subscriber, individually and on behalf of all persons employed by or affiliated with Licensed Subscriber who utilize the MLS (collectively called "Affiliated Persons"), agrees to the following:

1. Licensed Subscriber shall comply with the provisions of the NORIS Code of Regulations, NOR Bylaws, MLS Rules and Regulations, and any other obligations of utilization of the MLS, including but not limited to end user license agreements for any proprietary software systems utilized by the MLS and any license agreements to which Licensed Subscriber and NORIS are parties, all as amended from time to time (collectively called "MLS Documents"). Licensed Subscriber acknowledges that [i] access to and use of the MLS is contingent on compliance with the MLS Documents, including payment of fees; and [ii] Licensed Subscriber is responsible for ensuring compliance with the MLS Documents by all Affiliated Persons.
2. Licensed Subscriber shall be bound by the Code of Ethics of the National Association of REALTORS® including the obligation to submit to ethics hearings and the duty to arbitrate contractual disputes with other REALTORS® in accordance with the established procedures of NOR and NORIS.
3. A violation of the Code of Ethics may result in the termination of Licensed Subscriber's MLS privileges. Failure to make payments when due, disclosure of Licensed Subscriber's MLS password in violation of the MLS Documents, and failure to comply with any applicable license agreement are some but not all of the violations of the MLS Documents that may also result in the termination of Licensed Subscriber's MLS privileges.
4. NORIS grants Licensed Subscriber a license to use the proprietary software system licensed to NORIS for accessing the MLS. This license is granted subject to the terms and conditions of the applicable end user license agreement agreed to by Licensed Subscriber and shall terminate upon the termination of Licensed Subscriber's access to the MLS for any reason.
5. Licensed Subscriber is responsible for all monetary obligations associated with the use of the MLS by Licensed Subscriber or any Affiliated Persons.
6. Licensed Subscriber indemnifies and saves harmless NOR and NORIS from any and all claims, damages, causes of action, judgments, and expenses (including reasonable attorneys' fees) incurred by NOR or NORIS in connection with or arising from [i] property listing content submitted by or on behalf of Licensed Subscriber; [ii] use of the MLS by Licensed Subscriber or any Affiliated Persons; and [iii] violation of any terms of the MLS Documents by Licensed Subscriber or any Affiliated Persons. If any action, suit or proceeding is brought against NOR or NORIS, by reason of any such claim, Licensed Subscriber, upon notice from NOR or NORIS, shall defend the claim at Licensed Subscriber's expense with counsel reasonably satisfactory to NOR and NORIS.
7. Licensed Subscriber acknowledges that NORIS and NOR do not verify the property listing content in the MLS compilation, are not responsible for its accuracy, and are not liable for its content.

Clareity's Single Sign-On Dashboard provides members with one access point with one authentication, so you don't have to go to multiple websites or remember multiple user names and passwords to access the tools and services they use every day.

Dotloop is the leading online transaction and productivity optimization platform in real estate. Dotloop reduces complexity by replacing separate form creation, e-sign and transaction management systems with a single end-to-end solution and drives growth by helping real estate professionals streamline their business with workflow automation and real-time visibility into transactions. Each year, millions of agents, brokers and clients trust dotloop to get deals done. NORIS staff is Dotloop certified to train our members.

Sentrilock Lock Boxes are Bluetooth compatible and can be opened with the Sentrilock card or the Sentrilock app. One day are unlimited and easy to set. You may also view access logs and customize your Lockbox Settings.

RPR – REALTORS Property Resource provides comprehensive data, powerful analytics and client friendly reports for each of NAR's constituencies. Created by NAR for the sole purpose of providing REALTORS with the data they need to meet the demands of clients. No third party or public access...guaranteed. The only way a non-REALTOR has access to the data in RPR is through an RPR report that has been created.

Showing is the real estate industry's leading showing management provider. With Showing Time you can quickly schedule and confirm showings. By using the ShowingTime mobile app, the tasks you complete from your desktop can also be completed while you're away from the office. ShowingTime products and services allow agents and office to work faster, smarter and provide exceptional customer service to their clients.

HomeSnap is the top-rated real estate app, built for agents and loved by homebuyers. Get the app to see why millions of people are switching to Homesnap. **Later this year, Homesnap will be fully integrated with Matrix so users can input MLS data via the app.** Homesnap is the public face of the Broker Public Portal (BPP) and has surged past the 500,000 agent mark.

MarketStats provides clean maps of local housing stats in a sleek interface. Users may select specific geography to see a one-page local market update. Users receive convenient weekly, monthly, quarterly or annual reports. MarketStats allow users to optimize themselves as the local go-to source. **ePropertyWatch** allows you to provide regular emails to clients and prospects that will keep them up to date on the value of their home, transactions in their neighborhood, and overall trends in the area. You'll stay connected with your long-term prospects by inviting them to receive ePropertyWatch reports branded by you. When your prospects are ready to buy or sell real estate your name and contact information will be front and center.

Realist is the leading MLS tax product. Realist combines public record data and MLS Listing content, which allows for seamless delivery of in-depth property data and local market information.

ListTrac is a new tool that allows you to see how your listings are performing online in the MLS system and consumer sites, IDX sites and different real estate portals. This tool offers several benefits to brokers and agents:

- Provides an understanding of the activity (or lack of activity) on your listings compared to similar listings. This information can be used to determine if you may need to discuss price changes or other updates to the property.
- Gives you a better understanding of the impact of price changes or other updates to the listing by seeing how listing view change over time.
- Understand how often your listings are being viewed, shared and saved.
- Easily see how many email leads you received from online sources.
- Provides reporting so you can better understand the value received from your online marketing.
- Allows you to provide feedback to your clients on how their listing is performing online, including a Seller's Report that you can choose to send to the seller.

REtechnology is an educational platform that shows real estate agents and brokers how to use and evaluate technology to grow their business. Subscribers gain exclusive access to the following features:

- Daily educational articles
- Technology product reviews
- A comprehensive directory of real estate apps and solutions in 100+ product categories
- Annual Technology Guide
- The latest technology and industry news
- Live educational webinars...and more!

Realtor.com is an online resource for home buyers, and sellers with a comprehensive database of for-sale properties and information, tools and professional expertise to help people purchase a home. As the official site of the National Association of REALTORS, realtor.com pioneered the world of digital real estate 20 years ago and today prides itself on making all things home simple, efficient and enjoyable.

Prop Property Panorama/InstaView Virtual Tours are free for all of your active listings. InstaView is a fully automated Virtual Tour solution that automatically creates a Virtual Tour for every listing in the MLS (with 3 or more photos) within one hour of the listing being created. The InstaView Tour will remain fully in sync and is updated with the MLS every hour, 24/7!

FOREWARN leverages massive data resources and complex analytics to provide instant knowledge, prior to a face-to-face engagement with a consumer, to help you better understand and address risk. Using only the incoming phone number, FOREWARN can positively identify over 80% of prospective buyers. Using the following information provided by Forewarn agents can properly and safely plan for showings with a higher level of confidence.

- Identify if your prospect has a criminal history
- Verify current property and vehicle ownership
- Verify financial risks (bankruptcies/lines_
- Verify additional phone numbers and full address history

Trestle API – Trestle is a backend service provider that enables mobile application developers to create cloud services that help power their mobile application. The Trestle API allows developers to access and integrate the functionality of Trestle with other applications.
