

Local Market Update – January 2024

This representation is based in whole or in part on data supplied by the Northwest Ohio Real Estate Information System (NORIS) Multiple Listing Service. NORIS does not guarantee or is not responsible in any way for its accuracy. Data maintained by NORIS may not reflect all real estate activity in the market.

Lucas and Upper Wood County

Lucas County, Perrysburg, Northwood, Rossford & Lake Twp.

U.S. existing-home sales slipped 1.0% month-over-month and were down 6.2% year-over-year as of last measure, while pending sales jumped 8.3% from the previous month, marking the largest gain since June 2020, according to the National Association of REALTORS® (NAR). Mortgage rates have dropped significantly from their peak last fall, and homebuyers are beginning to come out of the woodwork, with NAR forecasting a 13% increase in existing-home sales this year compared to 2023.

Despite tepid sales activity, the persistent shortage of housing supply has helped prop up home values nationwide, with the median existing-home price rising 4.4% year-over-year to \$382,600, according to NAR. Total unsold inventory was at 1 million units heading into January, an 11.5% decline from the previous month, for a 3.2 months' supply at the current sales pace. Nationally, listing activity has started to pick up, and with mortgage rates stabilizing and housing completions on the rise, inventory is expected to improve in the coming months.
