

A new Single Sign on Dashboard is Coming – Here is what you need to know!

On Tuesday, October 6th we are changing the process by which you will log into all the services offered by Northwest Ohio Realtors (NOR) and Northwest Ohio Real Estate Information System (NORIS). You will now log into your NOR dashboard through the NOR member portal and from there will be able to connect to all services including MATRIX 360 MLS.

The new member portal will not be available on October 6th from 5:00 am – 9:00 am. This will allow us to make this upgrade to the new Single Sign on Dashboard/Member Portal.

[Why are we making this change?](#)

The member portal gives us one place to post important messages that all members need to know about. With everyone logging into all services through one entry point, we can make sure that everyone gets the messages they need to continue to doing business while staying safe and healthy through these unusual times. If you have any questions or need assistance, please call the office at 419-794-7271 or 419-535-3222 between 8:30 am and 5:00 pm.

[What do you need to do?](#)

1. Before October 6th please visit your member portal by going to <https://mdweb.mmsi2.com/toledoss/> to confirm that we have the correct email. If your email is incorrect click the Edit button to change it.

- On October 6th please remove all old bookmarks, shortcuts, and old URL's to the previous Clarity Single Sign on Dashboard. You should do this for all your desktop computers, laptops, tablets, and smart phones.
- Clear your cache and cookies in your browsers. These are saved entries that you may have been using to automatically connect to various services. These will no longer work so they should be purged. Here are instructions for clearing cache and cookies in the most-used browsers:

[You are now ready to see your new dashboard.](#)

- Visit www.nworealtors.com (this page should look familiar) and click on the Member Tab.
- Your new login page will look like this:

- Enter the same Agent ID and password you have used in the past. Remember Passwords are case-sensitive. If you have forgotten your password, click the Forgot/Change Password link and you will be sent an email with instructions on how to change your password.
